

Additional Guidelines

Norms for holding student leadership positions:

- B.Tech, M.A. and M.Sc students must possess a minimum CPI of 6.0 for being considered for student leadership positions.
- B.Tech students should not be in GPS during the semester of elections and in the previous semester.
- M.Tech students must possess a minimum CPI of 6.5 for being considered for leadership positions.
- Ph.D. students must possess a minimum CPI of 7.0 for being considered for leadership positions.
- A committee consisting of Dean (AA), Dean (SA) and General Secretary (Student Council) will decide the various positions and committees for which the above criteria shall be applicable.

<p>Note: These guidelines have been passed by the Student Senate and will be implemented by the Election Commission from the forthcoming elections.</p>
